Start:

Wednesday, September 18, 2019 from 8 AM

Thursday, September 19, 2019 from 8 AM

Starting is in accordance with the Competition Rules of HGF, depending on the number of participants and the decision of the Committee.

The start is organised by increasing EHCP order, in groups of three and possibly in the same category. On the first day in increasing EHCP order, on the second day players will start according to their gross result from the first day. On the third day, the players who go into the cut will start according to their total gross result from the first two days (those with the highest score will start).

Cut:

If the number of players exceeds 100, the cut is going to be applied.

78 players are the recommended number for the last competition day based on the gross stroke score, which includes those with the same result.

Cut rule:

After the second day of the championship, the cut is determined on the basis of the results of the first two days of play, only those players who have reached the cut on the third day can participate.

- In the senior men's category, after 36 holes, the first 60 and those who have the same gross result as the 60th player,

- In the senior women's category, the first 10, and those who have the same gross result as the 10th player
 - In the super-senior category, the first 10 and the same gross score as the 10th can reach the final day of the game day.
- If there are no 10 players in the women's or super senior category, the remaining female and super senior quota will be counted in the male category. In addition, all players will play on the third day who are ranked in the best 10 places in the net evaluation. If the number of players in the championship is less than 78, then 1-1 players will be added to the third day final in each category.

Tie: In case of a tie, the first place in the gross tournaments will be decided by playoffs, at a hole assigned by the Committee. When the result of the playoff is different, then the competition is decided and the place with the better results wins the championship. Additional places will be determined on the basis of the result of the last 18,9,6,3,1 stages, if there is a tie. Then the Committee will decide by draw.

The playoff will be played by repeating hole 18 (PAR 4). If this is not decisive, then hole 18 will be played again. If the final result is still not reached after that, then hole 10 (PAR 3) will be played until a final result is reached.

In order for a quicker playoff, the use of a golf cart is allowed to return the the hole for repeat play.

Game pace: According to Section 17 of the Championship Rules.

Drop off of the score card: The score cards should be dropped off at the golf club reception. The golf club's terrace and the clubhouse itself are the scoring area where the data on the card can still be modified. Modification of the scorecard is not permitted after dropping the card off and leaving the area.

Announcement of result: On September 19, 2019 (Thursday), within one hour of the end of the race, in the Great Lake Hotel's Great Hall.
